

# New Aircraft Refueller Opportunity at Aberdeen Airport! No experience required!

**Role:** LGV1 Aircraft Refueller

**Description:** Looking for an exciting new career at a fast paced airport that offers variety and challenges rather than your typical mundane 9 to 5 job?

Monarch Personnel Refueling Ltd is looking for a new team member to join the into-plane refuelling operation at *Aberdeen* Airport as an Aircraft Refueller.

The position will require airside driving, quality control checks and dispensing of aviation fuel. Supplying fuel to civilian aircraft by tanker vehicles/ hydrant vehicles and ensuring that the correct quantity of fuel is delivered.

The role requires candidates to have minimum qualifications of a *Class 1 (Category C+E)*.

The successful applicants will be able to demonstrate workplace Health & Safety experience, an ability to follow procedures, shift work experience and enjoy working outside in all weathers. Previous airport or fuel experience is not essential as full training will be provided.

The candidate must be able to provide 5 years employment history with information of any gap periods between references due to strict security checks.

**Expansion on skills or qualifications:** Current driving licence that includes entitlement to drive Class 1 ( Category C+E), with no bans and no more than 6 penalty points. The candidate is required to have at least 12 months driving experience and must have driven within the last 2 years.

Any recent Health and Safety training would be beneficial e.g HAZMAT.

Strong numeracy and literacy skills are required.

Excellent, teamwork and communication skills are essential.

Aircraft re-fuelling experience is desirable but not mandatory.

**Salary:**

£11.25 per hour Basic rate. Overtime from £15.00 - £18.75 per hour
